## Annual Safety and Security Report - 2022

### Forward

Northern Pennsylvania Regional College ("NPRC" or the "College") embraces proactive development and continual improvement measures for all aspects of its growth and development. In preparation for its Annual Safety and Security Report – 2022, NPRC began a process of collecting baseline data and established connections between policies and procedures to ensure a seamless and successful execution of this report.

NPRC's Annual Safety and Security Report is filed as required by the federal Crime Awareness and Campus Security Act ("Campus Safety Act"). This report provides the College's faculty, staff, students, and visitors with safety information including crime statistics and reporting procedures.

The College, established in May 2017, provides affordable and accessible post-secondary education and workforce development opportunities to communities from a vast geographical footprint in Northern Pennsylvania. The College does not have a traditional campus or own facilities but rather uses established community resources and locations in partnership with local communities to provide synchronous learning via distance learning technology. NPRC utilizes more than twenty (20) instructional locations for delivery of academic programs and workforce development training. Some workforce development training is delivered at additional facilities or properties, including driving ranges used for CDL training.

NPRC has developed and implemented policies and procedures pertaining to safety and security. These policies and procedures can be found on the NPRC Website, [regionalcollegepa.org](http://regionalcollegepa.org), [Consumer Information](#) page. Each member of the NPRC community is encouraged to take proactive steps regarding their personal safety in addition to the safety of others.

For all emergency situations, contact the local 911 center. For all non-emergency matters, please contact the administrative offices at 814-230-9010 or report a complaint or concern online at [Report a Concern/Complaint](#).

## Notice of Non-Discrimination

In accordance with NPRC-1210: Nondiscrimination, the College shall not discriminate and prohibits discrimination against any faculty (full-time and part-time), staff, administrators, and students based upon race, color, religion, national origin, ancestry or place of birth, sex, gender identity or expression, perceived gender identity, sexual orientation, disability, use of a service animal due to disability, marital status, familial status, genetic information, veteran status, age, or other classification protected by applicable law in matters of admissions, student services, or in the services, programs, or activities that it operates.

The College prohibits, and will not engage in, retaliation against any person who, in good faith, reports a violation of this policy, provides information in an investigation of a potential violation, or otherwise engages in protected activity under the law.

The College shall provide reasonable accommodations for qualified students and employees with identified disabilities consistent with the requirements of the Americans with Disabilities Act, Sections 503 and 504 of the Rehabilitation Act, and other federal, state, and local laws and regulations.

## Title IX Compliance Statement

The College shall comply with the requirements of Title IX of the Education Amendments of 1972, the Jeanne Clery Act Disclosure of Campus Security Policy, and Campus Crime Statistics Act (Clery Act), as amended by the Campus Sexual Violence Elimination Act (SaVE Act). The College will make available to students a "Sexual Assault Victims' Bill of Rights," consistent with the Federal Campus Sexual Assault Victim's bill of Rights under section 485(f)(8) of the Higher Education Act of 1965 (20 U.S.C. ~1092(f)(8)). Conduct prohibited under Title IX, the Clery Act, and the SaVE Act includes dating violence, domestic violence, gender-based harassment, retaliation, sex discrimination, sexual assault, sexual harassment, and stalking. Additional information may be found in the Student Rights and Responsibilities section of the College Catalog, in NPRC-1205: Sexual Discrimination and Sexual Misconduct on the Consumer Information page on the website, and the Victim's Bill of Rights found on the website on the Title IX page.

## Preparation of the Annual Security Report and Disclosure of Crime Statistics

In Fall 2021, the College identified members of the Safety and Compliance Committee to commence meeting and develop the Annual Safety and Security Report of 2020. The committee continues to be responsible for preparing and distributing the Safety and Security Report annually. The committee works with other departments within the College, the Pennsylvania State Police, and local law enforcement agencies to collect and compile the information needed to complete this report.

In 1990, Congress enacted the Crime Awareness and Campus Security Act of 1990 (Title II of Public Law 101-542), which amended the Higher Education Act (HEA) of 1965. This act required all postsecondary institutions participating in HEA's Title IV student financial assistance programs to disclose campus crime statistics and security information. The act was amended in 1992, 1998, 2000, and 2008. The 1998 amendments renamed the law the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act in memory of a student who was slain in her dorm room in 1986. It is called the Clery Act and is in section 485(f) of the HEA.

On March 7, 2013, the Violence Against Women Reauthorization Act of 2013 (VAWA) (Public Law 113-14) was signed into law. VAWA includes amendments to the Clery Act. These changes require institutions to disclose statistics, policies and programs related to dating violence, domestic violence, sexual assault, and stalking, among other changes.

All public and private postsecondary institutions that participate in any Title IV programs must comply with the HEA and Title IV institutions. These institutions have signed Program Participation Agreements (PPAs) with the U.S. Department of Education authorizing them to administer Title IV financial assistance

programs, including Pell Grants, Federal Supplemental Educational Opportunity Grants (FSEOGs), the Federal Work-Study Program, Federal Perkins Loans, the Federal Direct Loan Program, and the Leveraging Educational Assistance Partnership (LEAP). Northern Pennsylvania Regional College is not currently eligible to participate in Title IV programs. The College plans to pursue eligibility to participate in Title IV programs and, once eligible, will comply with the HEA's requirements commencing on the date a Program Participation Agreement (PPA) is signed by the secretary of education.

The College has moved forward with actions intended to abide by the Campus Security Act. This act requires colleges and universities to complete the following:

1. Publish an annual report every year by October 1 that contains three (3) years of campus and non-campus crime statistics and certain NPRC security policy statements.
  - NPRC's first Annual Campus Safety and Security Report (October 1, 2020) included statistics from NPRC's first year delivering an independent academic curriculum, 2020. This year's report, 2022, will include statistics from 2020, 2021, and 2022.
2. Disclose crime statistics for NPRC instructional locations comprising non-campus facilities and classrooms.
  - The statistics for 2020, 2021, and 2022 were gathered from law enforcement agencies throughout NPRC's ten (10) county service area of Cameron, Crawford, Elk, Erie, Forest, McKean, Potter, Tioga, Venango, and Warren Counties.
3. Provide "timely warning" notices of crimes that have occurred and "pose an ongoing threat to students and employees."
4. Disclose a public crime log of "any crime that occurred within the patrol jurisdiction of the campus security department and is reported to the security department."
  - As NPRC does not have a traditional campus and therefore no security department, a crime log is not a mandatory feature of reporting and collection.

As defined under the Clery Act, Northern Pennsylvania Regional College has one campus property, the NPRC Administrative Center – Warren. No instruction occurs with students at the NPRC Administrative Center-Warren. Academic and workforce development instruction occurs at instructional and workforce development locations. All NPRC instructional locations fall under the non-campus category.

Per the Clery Act, statistics must be disclosed for the days and times that an institution owns or controls any buildings or property that meet the non-campus definition. Under the Clery Act, NPRC is obligated to disclose statistics only for crimes that occur when NPRC has control of a space, that is, for the dates and times specified in a lease, rental, or other agreement. If an agreement is for a section of a building or property, NPRC is obligated to disclose statistics for the space plus any other areas of the building that students or employees must use to access the contracted space. Non-campus locations do not have a public property reporting requirement.

If NPRC has a partnership with another institution and the agreement specifies only NPRC students can attend classes at the other institution and that the other school's students can attend classes at NPRC, the College does not have to disclose reported Clery Act crimes that occur on the other campus because the College does not own or control it. The other institution will need to include any crimes in its statistics even if the crimes involve NPRC students. The University of Pittsburgh at Titusville's Education and Training Hub and the University of Pittsburgh at Bradford's Marilyn Horne Hall are non-campus instructional locations of NPRC which fall under this rule.

## Reporting to Campus Security Authorities

In August 2021, NPRC identified certain positions employed by the College to serve as Campus Security Authorities (CSA). Based on Clery guidelines, CSAs are defined as, “an official of an institution who has significant responsibility for student and campus activities, including, but not limited to, student discipline and campus judicial proceedings.” An official is defined as “any person who has the authority and the duty to take action or respond to particular issues on behalf of the institution.” These people must report any crime reported to the College’s Safety Officer (CSO). At NPRC, the CSO is referenced as the Director of Information Technology, Safety and Facilities, and can be contacted at [safety@rrcnpa.org](mailto:safety@rrcnpa.org), regardless of whether law enforcement was contacted. Information obtained through these reports is included in the College’s crime report as submitted under Clery regulations and for issuing Timely Warning Notices as appropriate. NPRC provides CSA training to new employees that hold titles with associated CSA responsibilities.

The identified positions within the College who are assigned the duties of Campus Security Authorities (CSA) for NPRC include:

- Title IX Coordinator
- Director of Student Services
- Assistant Director of Student Engagement
- Assistant Director of Community Engagement
- Student Engagement Specialists
- Educational Representatives (formerly Community Engagement Specialists)
- Administrative staff
- Vice Presidents and their Administrative Assistants
- Instructional Support Specialist
- Assistant Director of Information Technology and Facilities
- Director of Workforce Development

## About NPRC Security

The Vice President of Finance and Operations provides oversight for the security and safety of the College.

Local law enforcement agencies were contacted in Summer 2023 to collect crime data, which was then reported in the Clery statistics. While it is not mandatory for local law enforcement to respond to requests for this data, the College made a good-faith effort to obtain the crime statistics from all known law enforcement agencies with jurisdiction within NPRC’s Clery geography.

While NPRC has no formal contract in place with local law enforcement, the College has contact with the various law enforcement agencies that serve the communities where NPRC instructional locations are located. Contact information for these law enforcement agencies is outlined in the table on the next page – Law Enforcement Agencies by County.

## Daily Crime Log

The purpose of the daily crime log is to record all criminal incidents and alleged criminal incidents that are reported to campus police or security department. Institutions that do not have campus police, security, or any contracts to provide such services are not required to maintain a crime log. NPRC did not maintain a crime log for 2020, 2021, or 2022.

## If You are Victimized

Victims are encouraged to report crimes immediately to either and/or both local law enforcement and the NPRC Safety Officer as outlined above in “Reporting Crimes and Other Emergencies.” In cases where victims are unable to report a crime, witnesses are encouraged to do so on their behalf.

## Availability of Counselors

Victims of crimes, whether students or employees, are encouraged to access the NPRC Employee Assistance Program (EAP) counseling service available through [theeap.com](http://theeap.com). Should assistance be needed to access the service, contact a Student Engagement Specialist or the Assistant Director of Student Engagement. In the instance of a Title IX allegation, contact the NPRC Title IX Coordinator at [titleIX@rrcnpa.org](mailto:titleIX@rrcnpa.org) or submit a complaint or concern through NPRC’s online form available on the [Consumer Information](#) page.

## Timely Warning Alert

### Determination

A Timely Warning Alert will be issued for unresolved crimes committed on or adjacent to an NPRC instructional location when the crime creates a threat of immediate physical harm to the NPRC college community, and the likelihood of repetition is such that a report is necessary to aid in the prevention of similar occurrences.

NPRC is not required to issue a Timely Warning Alert for crimes reported to a pastoral or professional counselor.

The NPRC Director of Marketing and Public Relations is responsible for writing, developing, and sending Timely Warning Alerts in consultation with the Vice President of Finance and Operations.

### Content

Timely Warning Alerts describe the alleged actor(s), the nature, date, time and location of the crime, and the type of precautions that individuals should take to prevent similar occurrences.

Alerts do not contain identifying information about the victim(s).

### Distribution

Timely Warning Alerts are distributed to all affected administrative offices, the College President, Vice Presidents, Directors, and department heads for dissemination to persons within their areas of responsibility. Alerts to students will be distributed via email and the College’s learning management system (D2L).

Alerts will be made available to instructional locations used by NPRC and displayed on the NPRC website, intranet or learning management system as applicable for 30 days or until the crime is resolved and reported as such to NPRC’s Marketing and Public Relations personnel for changes to the website.

## Obtaining College Crime Reports

In accordance with the *Pennsylvania Uniform Crime Reporting Act* and the *Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act*, all NPRC students and employees receive annual security information updates. The College also makes information about crimes and security available in a variety of other ways that include the following:

- NPRC provides all students and employees with information on security policies and procedures and how to obtain additional security data via this report and the College website
- NPRC-3235: Behavioral Code of Conduct for Students is published annually within the College Catalog. This policy is also available on the learning management system (D2L) as well as the [Consumer Information](#) page.
- The College has various presentations available for viewing, primarily online, by employees and students each year via the Employee Assistance Program (EAP) available to students and employees.

## Megan's Law Information and Criminal Records

Under the federal *Campus Sex Crimes Prevention Act*, any person who is required to register with the Commonwealth as a sex offender in Pennsylvania's Megan's Law must notify the state if they are employed or are enrolled as a student at a college or university.

The law requires institutions of higher education to advise the college community how to obtain information on currently registered sexual offenders residing within the college community. In the absence of an NPRC residence life program, the college residential reporting requirement is nullified.

Sex offenders, already required to register in a state, are required to provide notice to each institution of higher education in that state at which that person is employed, carries on a vocation, or is a student. This registration is to be made available to law enforcement agencies with jurisdiction where the institutions of higher education are located. Institutions of higher education are required to issue a statement advising the campus community where law enforcement agency information, provided by the state concerning registered sex offenders, may be obtained.

Additionally, the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act amended the Family Educational Rights and Privacy Act of 1974 (FERPA) to clarify that nothing in the Act can prohibit an educational institution from disclosing information provided to the institution concerning registered sex offenders.

Information regarding registered sex offenders residing near the instructional locations may be obtained by visiting the [Pennsylvania Megan's Law website](#).

As applicable, college applicants are asked about their criminal history and federal law requires certain disclosures on financial aid forms. Failure to provide such information when required for specific education or training programs may impact a student's ability to participate in the program. All prospective employees are also screened in state and federal criminal records databases and the state child abuse registry consistent with the requirements of Act 153.

## Emergency Response Plan

In an emergency, please refer to the emergency response plan for the NPRC Administrative Center-Warren or that of the instructional location as applicable. The Emergency Response Plans for the NPRC Administrative Center – Warren, NPRC Education and Training Center-Erie, and the Galena Building – Franklin, can be found on the website [Consumer Information](#) page.

## Firearms and Offensive Weapons Policies

Northern Pennsylvania Regional College explicitly prohibits the possession and use of firearms or weapons at all facilities and facility properties used by NPRC as defined by NPRC-3236: Firearms and Offensive Weapons for Students and NPRC-9007: Firearms and Offensive Weapons for Employees and Visitors. These policies may be found on the website [Consumer Information](#) page.

## Crime Prevention and Safety Awareness Programs

NPRC is committed to providing supportive programming to students and employees regarding health and safety concerns. Title IX training is made available to faculty, staff, and students in various modalities. In addition, there are several other mandated training courses for NPRC employees regarding safe work environments and necessary actions for reporting crimes.

NPRC partners with various agencies to assist students and employees with various needs. With respect to abuse and violence, NPRC's student services team uses regional agency referrals [A Safe Place](#) as well as state and national hotline numbers. These agencies and hotline telephone numbers can be found on the College's website and in this report in reference to VAWA/Title IX information as well as Drug and Alcohol awareness programming.

## NPRC-3235: Behavioral Code of Conduct for Students

Students are expected to uphold and abide by the Behavioral Code of Conduct for Students. A link to this policy can be found on the [Consumer Information](#) page of the College's website.

## Civil Rights and Title IX Policies and Complaint Procedures

Northern Pennsylvania Regional College has adopted an internal procedure for providing prompt and equitable resolution of complaints alleging discrimination, harassment, and/or retaliation in violation of federal or state civil rights laws, including those laws enforced by the U.S. Department of Education, Office of Civil Rights. The Federal Government prohibits discrimination, harassment and/or retaliation in programs or activities that receive federal financial assistance. Links to relevant policies and forms are available on the [Consumer Information](#) and policies pages of the website. These policies include, but are not limited to, the following:

- NPRC-1205: Sexual Discrimination and Sexual Misconduct
- NPRC-1210: Nondiscrimination
- NPRC-2001: Affirmative Action
- NPRC-2003: Equal Employment and Educational Opportunity
- NPRC-3235: Behavioral Code of Conduct for Students
- NPRC-3260: Student Complaint
- NPRC-9005: Clery Act Compliance

Additional information regarding related procedures is available to students and the public within the College Catalog on the website and to employees within the Employee Handbook.

## Statement of Jurisdiction and Authority of Administration

Policies and procedures regarding conduct and disciplinary action can be found in the College Catalog, on the NPRC website, and in the Student Handbook. These are applicable to all NPRC instructional locations and functions. NPRC reserves the right to take any necessary and/or appropriate steps to protect the safety and well-being of the College community. While NPRC's jurisdiction is limited to conduct occurring at an instructional location or other NPRC-sponsored activity, a student who represents a risk to the health or safety of the college community may be subject to the guidelines within the Behavioral Code of Conduct

for Students. Jurisdiction may be extended when a student commits a prohibited act away from an NPRC instructional location that is against a fellow student, faculty, or employee of NPRC, or the College itself, when such an act is related to the student or accuser's status within the College.

The Director of Student Services or Director of Workforce Development, as applicable, is designated by NPRC as the person responsible for implementing and enforcing the Behavioral Code of Conduct for Students.

## NPRC-1040: Drug and Alcohol

NPRC is committed to providing a safe and healthy environment for students, employees, and community members. All NPRC facilities and facility properties are designated as drug and alcohol-free environments. Employees and students with questions or concerns about substance abuse or alcohol abuse are encouraged to contact a counselor at the Employee Assistance Program (EAP) or other resource designated by the College. A link to this policy can be found on the [Consumer Information](#) page on the College's website.
