Specialized Courses (5 credit hours)

Northern Pennsylvania Regional College (NPRC)			University of Pittsburgh-Titusville Hub		
Course #	Course Name	Credit Hours	Course #	Course Name	Credit Hours
BIO 111	Human Biology Lab	1	**BIOSC 0097	Human Biology Lab	1
Complete one of the pairs of courses below					
BIO 120~ and BIO 121~	Human Anatomy and Physiology I <u>and</u> Human Anatomy and Physiology I Lab	3 1	BIOL 0212~ and BIOL 0222~	Human Anatomy and Physiology I <u>and</u> Human Anatomy and Physiology I Lab	3 1
CHM 110 ^{^^^} and CHM 111 ^{^^^}	Introduction to Chemistry <u>and</u> Introduction to Chemistry Lab	3 1	CHEM 0100 ^{^^^} and ***CHEM 0xxx ^{^^^}	Preparation General Chemistry <u>and</u> Preparation General Chemistry Lab	3 1

[^]See course descriptions for placement requirements. Concurrent enrollment in ENG 090 College Reading and Success Strategies and/or ENG 099 College Writing and Success Strategies may be required.

^{^^}See course descriptions for placement requirements. Concurrent enrollment in MTH 090 Math and College Reasoning Strategies or MTH 095 Algebra and College Reasoning Strategies may be required.

^{^^^}Successful completion of two laboratory science courses from student's pre-college or college educational experience is a program admission requirement for the A.S. in Nursing. Students with no prior learning experience in chemistry should complete CHEM 0100 and CHEM 0xxx. CHEM 0100 and CHEM 0xxx are accepted as reverse transfer courses by NPRC to satisfy degree completion requirements for the Certificate in General Studies.

*Successful completion of MTH 120 may be used to satisfy minimum program entrance standards for mathematics, but does not guarantee admission to, the Associate of Science in Nursing. Successful completion of MTH 130 or its equivalent is a program requirement of the Associate of Science in Nursing.

**Course identification currently from Pitt-Titusville catalog. Equivalent course to be designated within Pitt-Bradford catalog.

***CHEM 0xxx--Course to be developed and assigned number designation.

~Successful completion of BIOL 0212 and BIOL 0222 is a program requirement for the A.S. in Nursing. BIO 120 and BIO 121 may not be used to satisfy program requirements for the A.S. in Nursing. BIOL 0212 and BIOL 0222 are accepted as reverse transfer courses by NPRC to satisfy degree completion requirements for the Certificate in General Studies.

Total Credit Hours Required = 32

Articulation Agreement Provisions:

- A guaranteed seat on campus at Titusville in the A.S. in Nursing program is granted to any student who (1) successfully completes all requirements for the Certificate in General Studies at NPRC specified by this agreement by conclusion of the spring term, (2) has an earned combined GPA ≥ 3.0 on all science/math courses completed, and (3) has an earned overall GPA ≥ 2.75
- Inclusion in the competitive admission candidate pool for the A.S. in Nursing is granted to any student who (1) successfully completes ≥ 12 credits of coursework required for the Certificate in General Studies at NPRC specified by this agreement and (2) has an overall GPA > 2.75 . Acceptance into the program is not guaranteed.
- Reverse transfer of program requirements for the Certificate of General Studies which are completed after admission to the A.S. in Nursing is granted at no charge to students upon a student's submission of (1) an application for graduation from NPRC and (2) a request for release of transcript from University of Pittsburgh to NPRC.
